Regarding: Watco Water increase

I am a resident in the area that Watco Water is proposing a reate increase. My resident is Show Low, AZ. 85901 im asking the Commission to NOT approve a rate increase at this time. With the economy being so bad and work scarce this increase would be a burden financially on me and my neighbors.

Respectfully,
Diana Cannon

OPPOSE RATE INCREASE

April 17, 2012

Arizona Corporation Commission
1300 West Washington Street
Phoenix, Arizona

To Whom it may concern,

In regards to Doc W-20475-A-12-0143 for a rate increase by Watco Inc., which is the water company in the sub-division where I live outside Show Low Az. 85901. Its my understanding that Watco is asking for an increase for the water rates to subsidizes loses by other companies they purchased over the last couple of years. I'm against any increase for the rates. I don't expect them to operate at a lose, but I don't think we should have pay for ill advised company practices.
